

## Buy With Rent

What do you now buy with your rent money? Only a rent receipt. What might you buy? A home of your own and freedom from rent payments forever. Use your rent money as a payment on your new home instead of spending it. You know it gets away from you mightily easy unless you "Salt it down." Why not put it in dirt? You know the safest thing on earth is earth itself. It doesn't rust, decay or get out of style and is just as sure to go higher as you exist today. If you were to cut the present prices one-half, land would still be too cheap. Use your common sense and quit working yourself to death to enrich the other fellow. You can't figure any other way than the Renter always gets the Hot End of it. The most plentiful thing in the world today is money and terms were never easier. ACT.

## THAT CHANGE IN WOMAN'S LIFE

**Mrs. Godden Tells How It May be Passed in Safety and Comfort.**

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared." — Mrs. M. GODDEN, 225 Napoleon St., Fremont, Ohio.

Such annoying symptoms as heat flashes, nervousness, headache, irritability and "the blues," may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound.

If any complications present themselves write the Pinkham Medicine Co., Lynn, Mass., for suggestions how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.

According to plans being worked out by the War Industries Board, the War Department and the Navy Department, the demobilization of the American soldiers and sailors will be gradual to accommodate the man and the job. The War Industries Board now is gathering information as to the needs of men in occupations and in trades, and as soon as vacancies arise men will be released. It is possible that a new bureau will be created for this work and Provost Marshal General Crowder has been mentioned for the post.

### WALKING UNDER DIFFICULTIES

"Believe me, I suffered from stomach and bowel trouble right. This weakened me so that I could scarcely walk. I could do no work. This was my condition when I started taking Mayr's Wonderful Remedy on the advice of a friend. Now I working every day and feel better than I ever did in my life. It is the only medicine that ever touched me." It is a simple and harmless preparation that removes catarrhal mucus from the intestinal tract and allays the inflammation that causes practically all stomach and intestinal ailments, including appendicitis. One dose will convince or money refunded. The Lincoln Pharmacy; The Penny Drug Store.

Belgium will not be satisfied with the "guaranteed neutrality" under which that nation was protected since 1836, according to an official statement given out in Washington. Nothing short of independence due to a free people will satisfy the Belgians now, the statement declares. To revert to the status quo, it is asserted, would be foolish and dangerous.

According to the officials of the Treasury Department, Government financial needs are almost certain to run above \$4,000,000,000 annually for many years, and there will therefore be no reduction of the tax burden. War debts must be paid and Secretary McAdoo says that additional loans will probably be required.

## WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit. If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. E. Lee, Milledgeville, Ga., had female complaint for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Pardee Foster, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit. THE PENNY DRUG STORE THE LINCOLN PHARMACY

## SPECIAL DAY OF THANKS. GIVING IS URGED.

President Wilson is called upon to appoint a special day of prayer and thanksgiving for victory in a resolution adopted by the Methodist Episcopal Board of Home Missions and Church Extension in annual session at Philadelphia. Bishop M. S. Hughes, of Portland, Oregon, introduced the resolution.

Amendments of the armistice terms made by Marshal Foch after his first meeting with the German plenipotentiaries, include the delivery to the United States and the Allies of all of Germany's submarines, instead of the 160 specified in the original draft of the armistice. Another amendment specifies that the "countries on the left bank of the Rhine evacuated by the Germans shall be administered by the local troops of occupation" instead of by the local authorities under the control of the armies of occupation.

## FOR COLDS AND GRIPPE DOCTORS FIND REMEDY.

Physicians and druggists are elated over the fact that they have at last found a genuine and dependable remedy for colds, sore throat, influenza and la grippe. For years they have depended chiefly upon the old style calomel, which is certainly fine, but unfortunately many people would not take it because of its nauseating and dangerous qualities.

Now that the pharmaceutical chemists have perfected a nausealess calomel, called "Calotabs" whose medicinal virtues are vastly improved, the doctors and druggists are claiming that Calotabs are the ideal remedy to abort a cold over night and cut short an attack of sore throat or la grippe. They are also finding it most effective in the treatment of pneumonia.

One Calotab on the tongue at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating or your work and pleasure. Next morning your cold has vanished and your whole system is purified and refreshed. Calotabs are sold only in original sealed packages; price thirty-five cents. Your druggist recommends and guarantees them by refunding the price if you are not delighted.

Within a few weeks the Allies will gather to consider the first steps in
